AFTER

DIGITALLY ENHANCED TWILIGHT

A room with a purpose

A coordinated living room arrangement introduces furniture, soft textures and a clear focal point.

BEFORE

AFTER

VIRTUALLY STAGED

Light, texture and scale

Neutral seating and restrained decor complement the tall windows and fireplace.

DIGITAL LANDSCAPE VISUALIZATION

From winter to summer

Snow is replaced with grass and foliage to create a clear seasonal visualization.

BEFORE

AFTER

DIGITALLY ALTERED SEASONAL VISUALIZATION

Reveal the living space

Furniture and accumulated clutter are removed to reveal the floor, fireplace and room layout.

BEFORE

AFTER

DIGITALLY DECLUTTERED

SELECTIVE DECLUTTERING

Keep the room. Clear the clutter.

Bedding and loose items are tidied while the bed, storage and room character remain.

DIGITALLY DECLUTTERED

OBJECT REMOVAL

A clear exterior view

A parked vehicle is removed to reveal a continuous driveway and an unobstructed facade.

BEFORE

AFTER

DIGITALLY RETOUCHED

SHADOW REMOVAL

A more even exterior

Strong tree shadows are reduced across the roof and facade for a more even presentation.

BEFORE

AFTER

DIGITALLY RETOUCHE

Natural light. Clear detail.
